

NEW LIFE COMMUNITY

WHERE FREEDOM FROM ADDICTION
BEGINS—AND *new life* GROWS

If you're tired of the cycle—the shame, the isolation, the promises to change that never seem to last—you're not alone. Whether you're battling addiction, haunted by past mistakes, or simply exhausted from trying to hold everything together, there is a way out. **Jesus Christ can make all things new.**

New Life Community is a 9-chapter journey of healing, designed for anyone who's ready to experience real freedom. Rooted in over 60 years of Teen Challenge's proven, Christ-centered transformation, this flexible, Holy Spirit-led series helps you walk with others through powerful video stories, real-life testimonies, and honest conversations that lead to restoration and hope.

Each chapter is filled with God's Word, truth, and encouragement for the weary and broken. You'll meet people who've been where you are—men and women who once felt hopeless but found new life in Jesus. As you walk through this journey, you'll begin to see what's possible: **freedom from addiction, healing from deep wounds, and the discovery of your true identity in Christ.**

Because God's desire isn't just to set you free from the chains that have bound you—**He wants to restore you to who He created you to be.**
